APPLY:
Apply online at http://studyabroad.ncsu.edu by February 12, 2010
Scholarship information also available online.

The University reserves the right to alter the program format and/or costs in case of conditions beyond its control. If the program is canceled or a student withdraws, a refund of program costs may not be available in all cases. Please refer to the Study Abroad Office Refund Policy for details.

Study Australian wildlife, vegetation and domestic animals in Southeast Queensland, visiting a variety of farms and native wildlife habitats.

Spend your last two weeks at the St. Lucia campus learning about the Australian farming system, history, aboriginal culture, politics, and art.
