SCHOLARSHIP APPLICATION AND GUIDELINES

The American Association of Blacks in Energy is a professional organization of African Americans in the energy industry. Through its Scholarship Program, AABE seeks to help increase the number of African Americans, Hispanics and Native Americans (underrepresented minorities) in energy related fields. By doing so, we help our nation address a critical need and a challenge to our future economic vitality in the world market.

Eligibility

Candidates for an AABE scholarship must meet the following eligibility criteria:

• Have, minimally, an overall “B” academic average and a “B” average in mathematics and science courses (3.0 or better on a 4.0 scale).
• Be a graduating high school senior who has applied to one or more accredited colleges/universities.
• Plan to major in business, engineering, technology, mathematics or physical science fields.
• Demonstrate financial need.
• Be a member of one of the underrepresented minority groups (African American, Hispanic or Native American) in the sciences and related areas of technology.

Selection

Scholarship recipients - known as AABE Scholars - are determined each spring by the organization’s local chapter scholarship committee for local scholarships and by the National Scholarship Committee for national scholarships. Recipients receive notification of their selection.

Awards

The North Carolina Chapter of AABE will award scholarships in 2010. The top winner’s application is forwarded to compete for a Southeast Regional Award of $3,000 (The Southeast Region is one of six AABE Regions). Additionally, a Premier Award of $5,000 is given annually to the candidate who is judged to demonstrate the most outstanding achievement and promise. National Awards are made to the students upon presentation of proof of enrollment at an accredited college or university.
