SUBJECT: Update of Prerequisites for CSC Graduate Courses

DATE: April 13, 2015

A number of CSC graduate courses have CSC 314, CSC 224, and/or CSC 244 as prerequisite(s). CSC 314, CSC 224 and CSC 244 are obsolete and no longer offered; the correct prerequisites should be CSC 316, CSC 226, and CSC 246, respectively. The prerequisites for the following courses should be updated accordingly:

CSC 501 – Prerequisite: CSC 246, CSC 316 and MA 421

CSC 505 – Prerequisite: CSC 316 and CSC 226

CSC 510 – Prerequisite: CSC 316 and CSC 226

CSC 512 – Prerequisite: CSC 316 and CSC 333

CSC 520 – Prerequisite: CSC 316 and either CSC 226 or LOG 201 or LOG 335 or background in symbolic logic

CSC 530 – Prerequisite: CSC 316; Corequisite: CSC 505

CSC 541 – Prerequisite: CSC 316

CSC 554 – Prerequisite: CSC 316

CSC (MA) (OR) 565 – Prerequisite: CSC 226 or MA 351

CSC 707 – Prerequisite: CSC 226 required, CSC 333 recommended
