Wilson 2015 Engineering Camp
for Middle Grade Students
June 22nd – 26th
Rising 6th, 7th and 8th Grade Students
LOCATION: Eastern North Carolina School for the Deaf
and Wilson Community College

Student Application

The NC State College of Engineering in partnership with Wilson Community College, the Eastern North Carolina School for the Deaf and the Upper Coastal Plain Learning Council will be offering a week-long, non-residential summer day camp for middle school students (rising 6th, 7th and 8th graders). The camp will be led by area teachers in collaboration with The Engineering Place from NC State University.

For more specific program information refer to The Engineering Place’s website at:
http://www.engr.ncsu.edu/theengineeringplace/summerprograms/index.php

Additional questions? Contact Dr. Kathy Lawson (252-813-7510) or Cindy Peck (252-813-6972)

The camp will be from:
9 a.m. to 3:30 p.m. – Monday through Friday
Students can be dropped off from 8:30 a.m. – 9 a.m.
Students MUST be picked up by 3:45 p.m.

Camp Cost:
$250 per student. A limited number of need based partial scholarships may also be available.

Application Process:
1) Complete the application.
2) Student completes a brief statement on why she/he would like to attend camp.
   The student statement is very important in the selection process, so the student should take his or her time composing this statement.
3) If you are requesting to be considered for a need based scholarship, obtain a letter of demonstrated financial need from the school district’s Child Nutrition Department.
   Since we do not wish to receive personal financial information from families, we rely on the schools to indicate demonstrated need. Generally, participation in free or reduced lunch program is an indicator, but other needs may be considered. For home schooled students, parents should write the letter for the scholarship request indicating factors influencing financial need without providing specific financial information.
STUDENT APPLICATION
Wilson 2015 Engineering Camp for Middle Grades Students
Rising 6th, 7th and 8th Grade Students

Personal Information:
First Name ___________________________ Last Name ___________________________
Address __________________________________________ City _________________________
