Undergraduate Application

The NC State College of Engineering in partnership with Wilson Community College, the Eastern North Carolina School for the Deaf, and the Upper Coastal Plain Learning Council will be offering a week-long, non-residential summer day camp for middle school students (rising 6th, 7th and 8th graders). The camp will be led by area teachers in collaboration with The Engineering Place from NC State University.

Opportunity Overview for Engineering Summer Programs Undergraduate Assistants

We are very pleased to offer the following stipend opportunity for undergraduate level students interested in working as teacher assistants in a local summer camp program focused on engineering instruction and activities. This opportunity involves serving as a supportive and positive role model for approximately 12 middle school students, following the parameters set in place by the teaching staff.

Applicants should be enrolled in undergraduate classes at a local college or university. Candidates should be highly motivated and enthusiastic individuals and interested in working with middle school students in an active camp setting at the direction of certified teachers.

Stipend rate is $700.00 for time spent in the camp and in training. Daily camp hours run approximately 8:00 a.m. until 4:00 p.m. Additional time may be required before and after the daily camp session. Lunches are provided during the training sessions.

Training Dates

- Teacher Training: Friday, April 17, 2014 (12 p.m. – 5 p.m.) and Saturday, April 18, 2014 (8:30 a.m. – 4:00 p.m.)
  Cost of housing and meals will be covered if you elect to attend.
- All Staff Camp Prep: Saturday, May 23 (8:30 a.m. – 4:00 p.m.)
  This camp prep and training is required of all staff members. Lunch will be provided.
