

NORTH CAROLINA STATE COLLEGE

SOCIETY OF THE SIGMA XI

Announcements

1. The Initiation Banquet will be held Thursday evening, May 14, starting at 6:30 p.m. in the College Union. Please mark this date on your calendar. The charge will be \$2.50 each. Tickets will be available soon from your contact men.
2. As a step to encourage the spirit of research on this Campus, the Executive Committee has decided to honor up to 5 people, members or potential members, at the coming Initiation Banquet by gift of the banquet for the person and consort and by brief notice of their particular research work.

The people whom we wish to notice are those whom their associates and peers feel that they have been doing an exceptionally good research job recently. The research could represent the culmination of several years or even particularly vigorous and effective start of worthy work.

It is surely not intended that experienced leaders in research be omitted from consideration, but we are particularly anxious that the younger people, particularly those just getting started, be not overlooked.

3. The members of Sigma Xi are urged to make nominations for these Recognition Awards. A form is enclosed for this purpose. Please do not delay; look around you.

A relative judgment will be made later by others.

4. A business meeting is called for Thursday afternoon, April 20, in Room 11, Hiddick, at 4:10 p.m. Please mark this date on your calendar. We will try to finish early.
